DEDICATION

MR. DENNIS REED

San Gabriel High School has been fortunate to have many dedicated administrators and teachers who deserve recognition. However, in this twenty-second edition of *El Camino Real*, the staff has selected a teacher who has given inspiration and encouragement to hundreds of students in our school. So it is with deep gratitude and admiration that we dedicate this yearbook to Mr. Dennis Reed, head of the Communications Department.

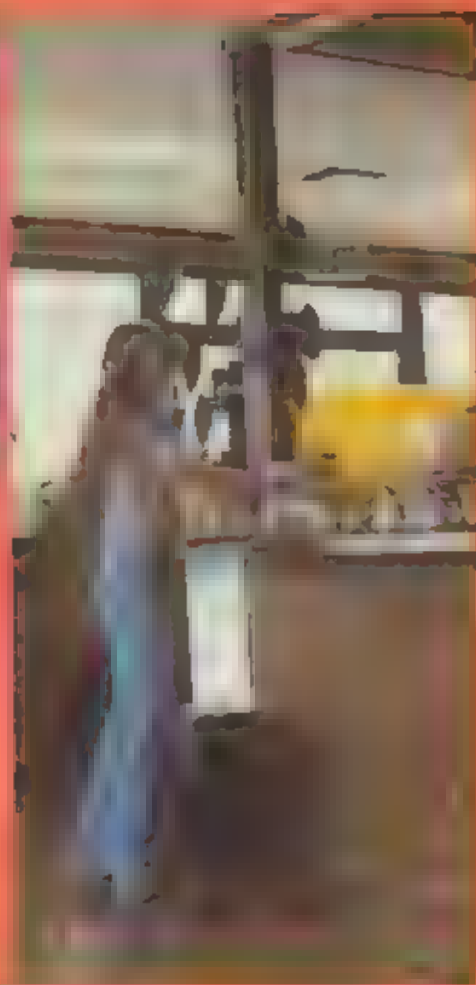

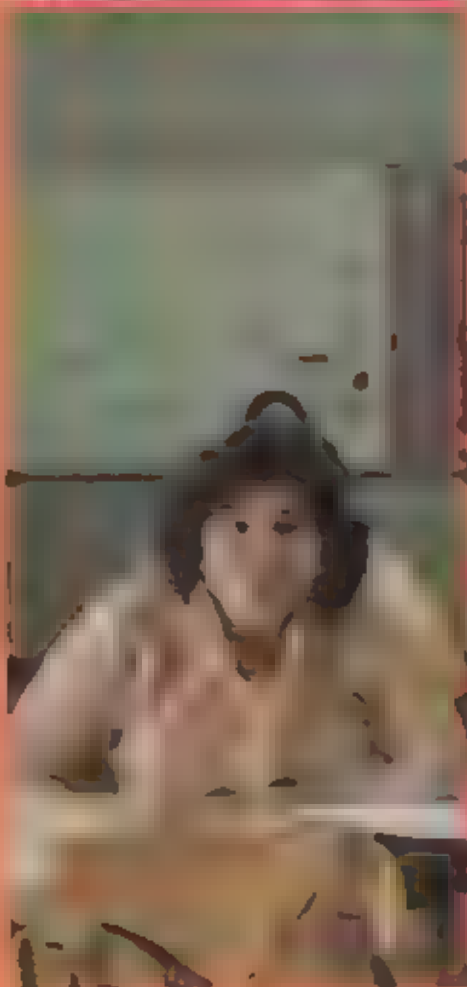

Our school is full of memories - of wins, losses, good times, bad times, and friends. It is intended that this annual will be a memory bank of all that has happened for us to treasure. The opening pages are filled with pictures to help us relive our memorable year.

Art Adviser

This year's staff has worked long hours to make this annual the best one of twenty-two editions. I hope you will have as much fun looking at it as we had putting it together. The cover design was beautifully done by Carol Chandler, who deserves special thanks for a job well done. I would also like to thank my division editors for getting their section out with the help of the rest of the staff. My division editors are Roberta Petrone, seniors; Beth Sedgeman, classes; Diana Guzman, student life; Steve Wilke and Irma Justiniani, sports; Betty Brouhard, administration; Connie Richardson and Alyson Carlson, advertisements; and Carol Chandler, art.

Extra special thanks are due Will Lue, our representative from the Josten American Yearbook Company, and Gary Roberts and Cliff White from Anthony Lova Studios for all the time and effort they have given to help us meet our deadlines.

Wishing you all happy memories,
Gail McBride
Editor-in-Chief

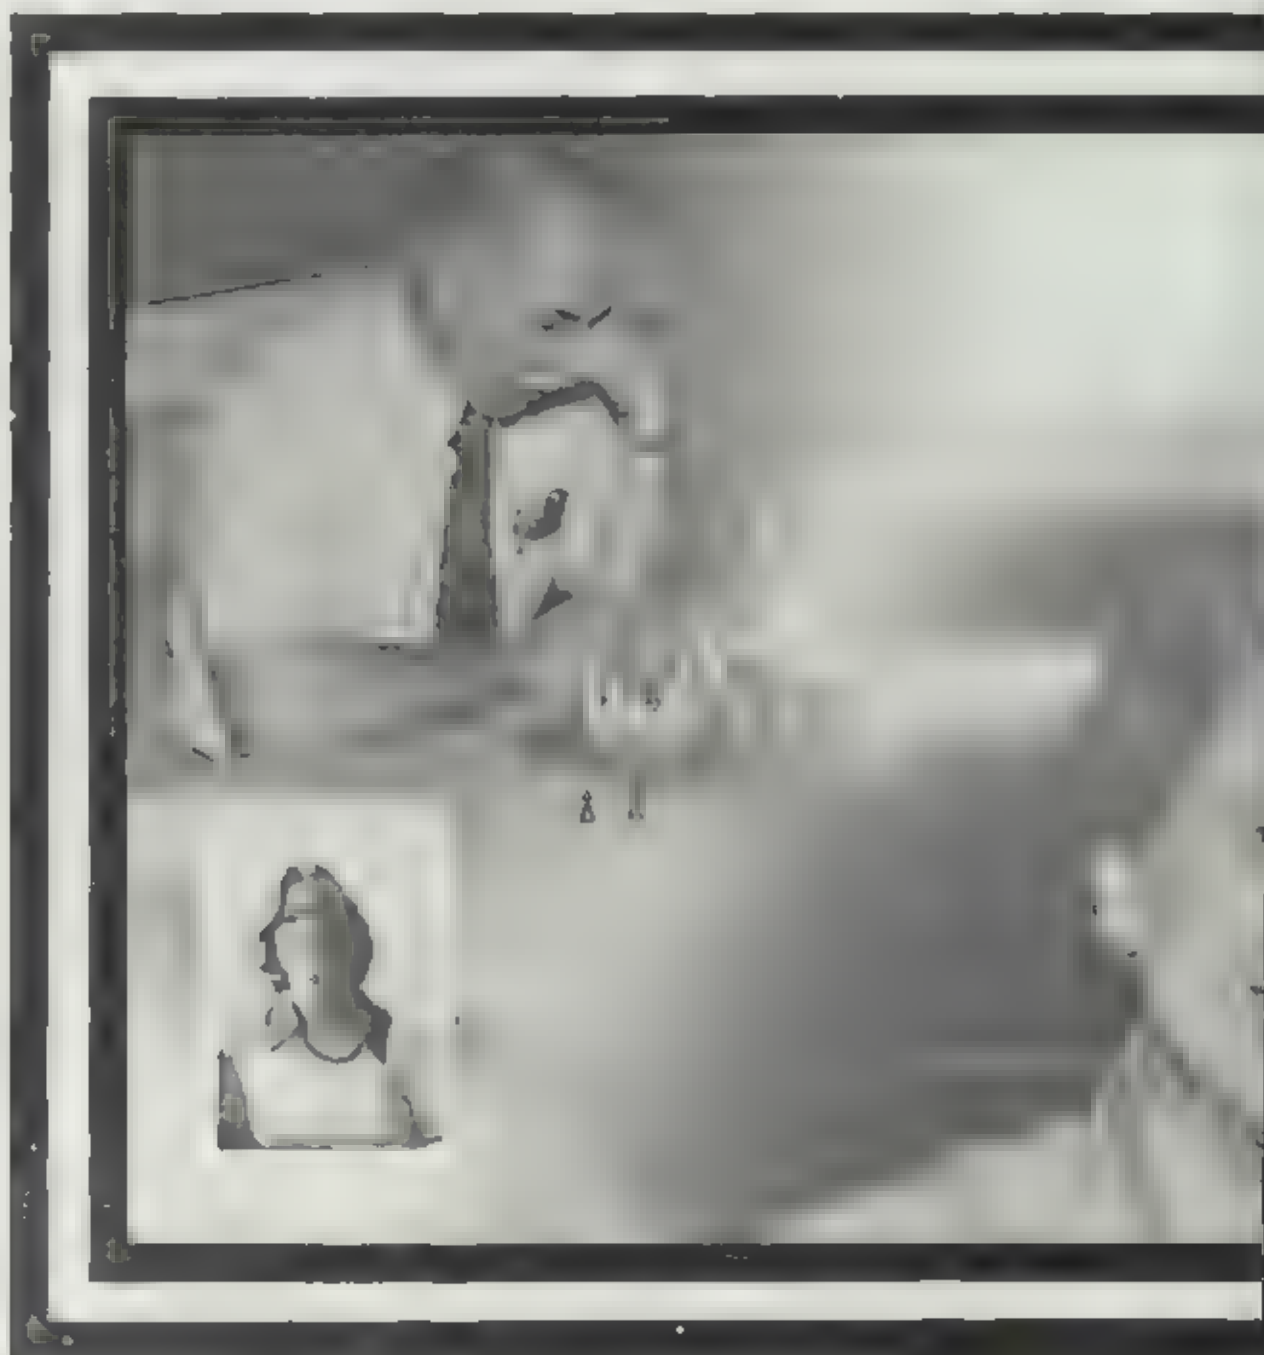

The preceding pages of pictures from our memory bank have helped us to recall some of the friends and events that made our year enjoyable. Now we turn the pages to continue our recollections

ADMINISTRATION

We remember the dedication and friendliness of our faculty and administration. We realize that they have been invaluable in the development of our lives, and we thank them for their steadfast support.

Betty Brouhard

In December 2, 1976 L. TO R. Mr. Jerome E. Flaster, President, Mr. E.C. Scelan, Mrs. Dorothy W. Mather, Mr. William D. Bridges, Mr. Carl Van Winkle, Vice President.

Long and distinguished service has marked the contributions of three of the Board of Education members who retired in November, 1976.

Mrs. Dorothy Mather became a member in 1959 and was re-elected on four subsequent occasions. During her tenure she was president of the Board of Education for four terms; and vice president for two terms. A resident of San Gabriel, she was active in many community organizations, and at the time of her retirement received tributes from countless community groups and on the State level as well.

Monterey Park resident Mr. Jerome Flaster had a similar long record of dedication to education in the School districts. First elected in 1958, he served three terms as the Coordinator of Developmental Services for the Exceptional Children's Foundation, he has been interested in all phases of instruction for young people.

Mr. Carl Van Winkle, having served seven years on the Garvey Board of Education, was elected in 1963 to the Alhambra City and High School Board of Education. He was Elected twice to serve as Board president and served four terms as vice president.

The schools have much to be grateful to these dedicated individuals.

Principal

EDUCATION

After December 3, 1976 L. TO R. William B. Bridges, Vice President C.E. Gaudin, President, Richard Amadio, Michele Kautsky, Ronald Apperson.

SUPERINTENDENTS

L. TO R. William T. Pickford, Assistant Superintendent-Administration, Bruce R. Pappas, Superintendent of Schools, Robert J. Meehan, Assistant Superintendent-Instruction.

Mrs. Elizabeth Luttrell

PRINCIPAL

Lacking a crystal ball to know what will have happened between the first quarter of school, when this is written, and the final day of the semester, I can only assume that the school year will proceed as it has begun.

We have started with a large enrollment and with more students electing six subjects than ever before in recent years. The appearance of the grounds and buildings has been improved, and students have been generally more caring about the campus. Many students have found that they could get something done in study hall. Some have participated in the APEX program, learning about classes on an informal visiting basis.

We have won the Tri-City Football trophy for the third consecutive year. Many other teams—both boys' and girls'—have fared well in competition.

A large number of seniors have earned their credits and will shortly be receiving that sheet of paper which proclaims that they have "completed satisfactorily the course of study prescribed for graduation from high school."

To all of them, our congratulations; and to every Matador, best wishes for a good summer.

A senior elected to Los Renombrados (The Renowned) is receiving the highest honor bestowed by San Gabriel High School. Membership in this organization indicates an outstanding record of service to S.G.H.S. and to the community—exceptional leadership, excellent citizenship, and a B average for seven semesters. The nominations and selections are made by the Senior Class Councils, the Faculty, and the Administration. After the winners are determined, they are announced at a special assembly. Seniors elected exemplify the characteristics of the finest Matadors.

BOYS' AND GIRLS' STATE REPRESENTATIVES

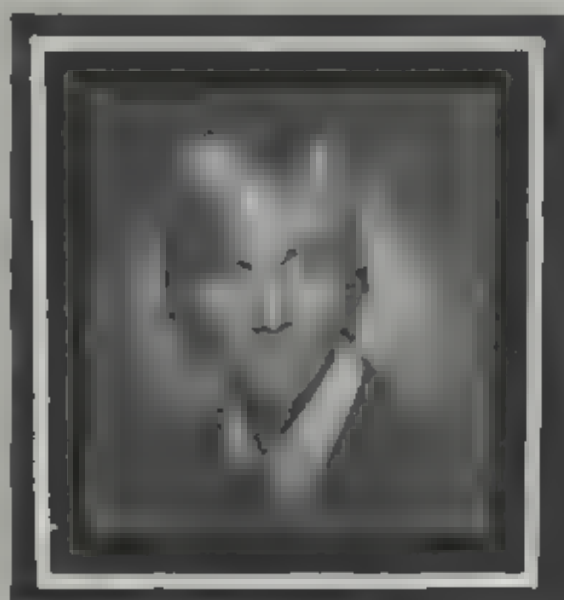

Geoff Doolittle

Janet Mayeda

Girls' and Boys' States are practical civic programs presented by the American Legion and its Auxiliary on the California State University of Sacramento campus. Boy and Girl Staters must be juniors and outstanding citizens of their school and community. This exceptional program teaches the true concept of the ideals and objectives of our California government.
